### **Have you become homeless in the past 90 days or are you about to be evicted from your housing?**

You may be eligible for help from Vermont Veteran Services (VVS) through our Supportive Services to Veteran Families (SSVF) Grant from the Veterans Administration (VA).

SSVF may be for you if:

- You have or have had at least one day of active duty service
- Other than a dishonorable discharge in the Army, Navy, Air Force, or Coast Guard
- You served during any era, from WW II to the present
- You are an individual or part of a family
- You or your family meets the standard for very low or extremely low income. VVS uses the HUD income limitations that can be found at: <http://www.huduser.org/portal/datasets/il/il14/index.html>

**If you have any questions or think that you may qualify  
for SSVF, call:**
