This tool provides some sample recordkeeping tools for the Chronic Homelessness Definition. To review the exact language, please refer to 24 CFR Parts 91 & 578 and the [HUD Exchange](#).

Recordkeeping Documentation Options Explained

3rd Party Documentation

Documentation from HMIS/Comparable Database

Records must show entries/exits at Shelters.

An answer of "Yes" to the question as to whether the individual is chronically homeless (Universal Data Element 3.917) is not sufficient.

Written observation by an outreach worker or
Written referral by another housing

Documentation from Institutions like Hospitals, Correctional Facilities, etc.

Must include records about stay the length of stay, signed by Clinician or other appropriate staff.

Self Certification

Signed certification by the individual seeking assistance describing how they meet the definition, which must be accompanied by the intake worker's documentation of the living situation and the steps taken to obtain evidence to support it.

Remember that for each Project:

- 100% of households served can use self-certification for 3 months of their 12 months,
- 75% of households served need to use 3rd Party documentation for 9 months of their 12 months, and
- 25% of households served can use self-certification as documentation for any and all months.

When do you need third party documentation?

Preferred to record all occasions of homelessness to document Chronic Homelessness.

Not necessary to record breaks in homelessness, these can be based on self reports.

¹ CH-DedicatedPLUS = *at least 12 months*, in past three years, of residing in a literal homeless location(s); does not require four (4) separate episodes.

² If there is *evidence of a break* in homelessness within a month, days of homelessness must be counted instead of counting the entire month.

³ *Third Party Letter* should be on letterhead of documenting agency (date/signed) with applicant's name, start/end dates & location of each literal homelessness episode (if pertinent, include the record of breaks between literal homelessness).

⁴ Clarify if documentation is *obtained OR pending* (identify source or holder of pending documentation and anticipated receipt date).

⁵ If the Interviewing Staff are unable to retrieve a Third Party letter, or other Documentation Source, they must provide the status and explanation of what *Good Faith Efforts* were made to get documentation for each literal homeless episode.
