

**VERMONT COALITION TO END HOMELESSNESS - 2019/20 Annual Membership Form
INVOICE**

The Vermont Coalition to End Homelessness (VCEH), acting as the primary decision-making body of the Vermont Balance of State Continuum of Care, shall have a mission to support the work of local CoCs; connects them to a broader network of stakeholders; administers federal funds; and advocates for funding and policy changes so that people living in Vermont have a safe, stable, affordable home and if homelessness occurs it is a brief and rare occurrence during which everyone is treated with dignity and respect.

VCEH achieves this mission by:

- Creating a network of organizations, service providers, advocates, consumers, concerned citizens and policy makers committed to ending homelessness.
- Fostering communication with and supporting local Continuums and developing collaborative partnerships.
- Ensuring that all Vermonters, particularly low and moderate income persons, people with disabilities, homeless people, elders, families with children and others, have safe, adequate, physically accessible and affordable housing.
- Encouraging resident participation and control in their housing.
- Advocating for the preservation of existing housing, protection of renters, and the development of new, perpetually affordable low and moderate income housing.
- Promoting the recognition of housing as a basic right for all Vermonters through education of the public and elected officials.
- Acting as a catalyst in the exploration and development of innovative means of preserving and increasing Vermont's affordable housing stock.

Membership in VCEH is open to *any* individual or organization interested in participating in this grassroots effort, and you can learn more about the VCEH at www.helpingtohousevt.org.
