

YOUTH SERVICE BUREAU

The Washington County Youth Service Bureau/Boys & Girls Club

Call us – we'll be here

Although our services will look different during the coming weeks we are still very much here for youth and families in Washington County.

What's changing?

- **Our office:** As of Wednesday, March 18, at 5:00 pm, until at least April 6th, our Montpelier office staff will be working from home using online, phone and telehealth models. The office on Elm Street in Montpelier will be closed.
- **The WCYSB phone line (802) 229-9151 will still connect you to a real person** who can direct your need to staff members who can help.
- **All of our counseling and case management services will continue.** In this age of technology, and because our staff already serve many clients out in the community, we are well positioned to meet the needs of clients, even without meeting in person.
- **Our emergency shelter homes and housing supports will still be available** for youth who have run away from home or find themselves facing homelessness. We are working with our shelter families to take special precautions to keep them and the youth they host, safe and healthy.
- **The Basement Teen Center in Montpelier** is creating new ways to support and help youth stay connected in the community as a Virtual Teen Center since in-person visits and activities are not an option at this time.
- **Return House** will continue to support young men in their effort to transition from incarceration.

If you need assistance, call. We'll be here.
