

After each VCEH training module, it is suggested that training participants meet with their supervisor to discuss the training, describe how the training content applies to their workplace and job functions; and ask questions.

Module Title:

Module contact person:

Module brief description:

Open Prompts for Discussion:

- Describe how the content shared in this module applies to your job role and organization.
- What skills and content did you learn from this module and what do you still want to learn more about?
- What other modules are you interested in taking and why? How does this fit with your professional development plan?
- What questions do you have based on this module and how will you find the answers?
